

CMHA would like to thank the Property Owners who were able to take advantage of the “Landlord Incentive Bonus” programs. As a result, the Hamilton County Community has been greatly impacted by this bold move to assist families with their housing needs.

As indicated in our communications and flyers, the “Landlord Incentive Bonus” programs were in place until the funding was exhausted. With the collaboration of many property owners, CMHA had 275 Property Owners take advantage of the incentives to expand housing choices to 394 voucher holders within the Hamilton County Community. As such, the Incentive Programs have now ended.

Thank you for your partnership with CMHA to help lessen the gap between the need of and the availability of affordable housing units in the Hamilton County Community.

Sincerely,

*Lisa Isham*
