# SET GOALS GET DIRECTION CHANGE YOUR LIFE

## Family Self-Sufficiency (FSS)

The Family Self-Sufficiency (FSS) program empowers HCV families to change their lives by teaching them to set and reach their educational, employment, financial and homeownership goals. Participants who completed this five-year program have:

- Obtained GED/High school diploma
- Earned certificate, associate, bachelor and master's degrees
- Found full-time employment with benefits
- Conquered finances and increased credit scores
- Started businesses
- Purchased homes
- AND MORE!

The FSS is a voluntary program for HCV families receiving a voucher. Participants learn to set goals each year toward economic self-sufficiency and receive community resources and support to meet their goals.

***Participants have the opportunity to earn money in an escrow account when they increase their earned income. For example:***
