SET GOALS GET DIRECTION CHANGE YOUR LIFE

Family Self-Sufficiency (FSS)

The Family Self-Sufficiency (FSS) program empowers families to change their lives by teaching them to set and reach their educational, employment, financial and homeownership goals. Participants who completed this five-year program have:

- Obtained GED/High school diploma
- Earned certificate, associate, bachelor and master's degrees
- Found full-time employment with benefits
- Conquered finances and increased credit scores
- Started businesses
- Purchased homes
- AND MORE!

The FSS is a voluntary program for HCV families receiving a voucher as well as tenants in our Asset Management Properties. Participants learn to set goals each year toward economic self-sufficiency and receive community resources and support to meet their goals.

Participants have the opportunity to earn money in an escrow account when they increase their earned income. For example:

	Contract Rent	CMHA Subsidy	Family's Monthly Rental Portion	Escrow Account (per month)
Family Joins FSS	\$500	\$400	\$100	\$0
Family Increases Earned Income	\$500	\$200	\$300	\$200
