

U.S. Bank ReliaCard®

Frequently asked questions

What is the ReliaCard?

The ReliaCard is a prepaid debit card issued by U.S. Bank that is reloadable by the government agency. The ReliaCard provides an electronic option for receiving your government agency payments. It is not a credit card but works similarly to other prepaid debit cards.

How does the ReliaCard work?

Once funds are added to the card account, it can be used to make purchases, pay bills, and make online, phone or mail-order purchases. You can also get cash back with purchases at participating merchants or withdraw cash at ATMs, banks or credit unions. The amounts of purchases, bill payments or cash withdrawals are automatically deducted from the available balance on the card.

When will I receive my ReliaCard?

We're working closely with participating states to get the cards distributed as quickly as possible. Once we receive the file from the state, we mail your ReliaCard within two business days. Please allow seven to ten business days for the postal service to deliver the card to you. The card will arrive in a plain, white, windowed envelope.

The card comes with:

- Instructions on how to activate the card
- A complete Fee Schedule
- The Cardholder Agreement, which discloses terms and conditions
- A Usage Guide detailing where and how the card can be used
- The U.S. Bank Privacy Pledge

How do I activate my ReliaCard once I receive it?

You can activate your card on the ReliaCard website or on the mobile app

- Scan the QR code to activate your card on the ReliaCard website and click Activate Card
- From the mobile app, click Setup Online Access/Activate New Card.
- You will be prompted to create a password.
 - Choose a password that is at least eight characters long and includes at least one of each: an upper case letter, a lower case letter, a number and a special character.
 - Avoid having sequential numbers, such as 1234, or repeating characters, such as 111 or aaa.
 - Carefully enter your password.
 - Keep your password in a safe place for future reference.

Will my funds be available when I receive my card?

In some cases, you may receive your ReliaCard before the funds are loaded to the card. Your card will be funded two to three business days after your state agency has released your funds. You can monitor the status of your benefits and payments by checking your state's website. Enroll in Alerts to be notified via a text³ message or email when a deposit has been received.

How do I make a purchase with my card?

The card works much like other prepaid or debit cards. You can use it online, over the phone, at grocery stores, retail stores, restaurants, medical offices, etc. It is important to know your account balance before making purchases. You can use your card to make purchases anywhere Visa and Mastercard debit cards are accepted.

How do I get cash at a bank, credit union teller and does it have to be a U.S. Bank ATM or U.S. Bank branch?¹

Cash can be obtained over the counter at any Visa or Mastercard member bank or credit union. You are not required to go to a U.S. Bank location but, you must know your available balance (the teller will not have access to this information) and ask for a cash withdrawal in the amount you wish to withdraw. Note: you may need to provide your driver’s license to verify your identity.

How can I get cash with my card?¹

Cash back with purchases – at participating merchants such as grocery or convenience stores

- When the authorization machine asks for credit or debit, select “Debit”
- Enter the 4-digit PIN
- Select “Yes” for cash back
- Enter the amount, press “OK”

ATM withdrawal – at any ATM

- Insert or swipe your card and enter your 4-digit PIN
- Select “Withdrawal from Checking”

Teller withdrawal – at any participating bank or credit union

Do I need a PIN?

You may use the card for signature-based purchases without a PIN by choosing Credit when you make a purchase. However, a PIN must be used for debit card purchases and cash withdrawals at ATMs.

You’ll choose your four-digit PIN when you activate your card. Keep it in a safe place for future reference. Your card may be locked if you make too many attempts to use it with the wrong PIN.

Can the ReliaCard be overdrawn?

Usually a purchase that exceeds the available balance will not be approved. In very limited circumstances, if you do not have sufficient funds when the final amount clears, it may result in a negative balance; however you will not be charged an overdraft fee. You can check your balance online, using the ReliaCard Mobile App or by logging into your account at usbankreliacard.com.

What are some things I need to keep in mind when using my card to make purchases?

Some merchants where you typically tip (i.e., restaurants, hair salons, etc.) may authorize your transaction for an amount greater than your purchase to cover tips. Make sure your balance can cover a tip of 20% or your transaction will be declined.

When purchasing gasoline at a gas station, pay inside with the cashier to avoid a hold greater than the amount of your purchase (some ReliaCard programs may not allow you to pay with your card using the pay-at-the-pump option). The funds held will not be available for other purchases until the actual transaction amount clears. Payments made inside clear for the actual transaction amount immediately. Check your program materials for additional details.

What should I do if I forget my PIN?

Call the number on the back of your ReliaCard and reset your PIN using the automated system. Your card may be locked after too many attempts using the wrong PIN.

Can I still get cash if I forget my PIN?

Yes. You can go to any Visa or Mastercard member bank or credit union and ask the teller for a cash withdrawal.

Do I receive a new card every time a payment is made?

No. Future payments will be deposited automatically onto the initial card.

Can I manage my account with my smart phone?

Yes. You can use the ReliaCard Mobile Banking app to check your account balance, enroll in and manage text alerts, view your most recent transactions or search for the nearest in-network ATM location. Search for “U.S. Bank ReliaCard” in the App Store or Google Play.

Can I pay my bills, including my rent / mortgage, with my ReliaCard?⁵

Yes. Follow these steps:

- Log in to usbankreliacard.com.
- Go to the top navigation bar and click, Manage Money.
- Click, Pay Bills.
- Select the company (the payee) you want to pay from the payee list. If you can't find the company, you can manually enter the payee name by clicking, Add a Payee.
- Enter the amount you want to pay and select the payment date.
- Click on the Review and Pay button.

Please remember to schedule your mortgage payment or rent payment at least five business days before the due date. For more information, please review the Bill Pay Terms and Conditions.

How can I find the routing and account numbers associated with my card?

You will not have a routing or account number as the government agency is the only source that can load funds to your ReliaCard. Please use Bill Pay or your 16-digit card number for any purchases.

Can I make a purchase for more than the amount on my card?

If you need to make a purchase for more than the amount you have on your card, you will need to use two forms of payment. Tell the cashier how much you want taken from the balance on your card — the cashier cannot determine your available balance. Then, pay the remaining balance with cash, check, credit card or check card.

Can anyone else view or track my transactions?

No. For privacy reasons, U.S. Bank does not share card account numbers or transaction details. However, for reconciliation purposes, your government agency does have access to the amount and date of each deposit.

How do I obtain information about fees for my ReliaCard?

Fees are located on the Fee Schedule sent to you with your card. You may also view your fee schedule online by logging into your account at usbankreliacard.com. Please consult your program Fee Schedule to determine if a specific fee applies.

How do I view my monthly statement?

Monthly statements can be viewed online 24/7 at usbankreliacard.com or on the mobile app.

What should I do if I change addresses?

Contact your government agency to report an address change so that your mail may also be sent to the correct address.

Who do I contact if I have questions about my card?
