Originally Issued August 8, 2023

Addendum 1 – Issued August 14, 2023

To Offerors:

The following additions, deductions, changes and corrections to the proposal and specifications for the above referenced project shall hereby be incorporated into the work, and their affect on the proposal shall be reflected in the Offeror's proposal. Offerors shall also verify this fact by indicating the receipt of the addendum in their proposal.

QUESTIONS:

1. I would like to know the possibility of providing the necessary evidence of registration at the time of being awarded the contract? **Submittal of insurance with your proposal is required; however, you only need to submit proof that you have insurance required. It is not necessary to set up CMHA as the certificate holder or apply the insurance to CMHA. If you are awarded a contract, those specifics will be requested at that time.**
