### QUESTIONS:

1. The Fee Submission form asks for a fixed price for services. Pertaining to the special services section (beds bugs, bats) we have no way of knowing what could arise and extent of the issue. Would you accept an hourly rate or a price to potentially cover worst case scenarios? **Proposers may input an hourly rate in the Additional Services part of the Fee Submittal Form for any service the Proposer deems necessary.**
2. Is the IPM plan to be included with the proposal? **Proposers should submit their IPM Plan with their proposal or state in writing that they do not have a plan.**
3. Is a chemical list required with the bid or after acceptance of the bid? **No but a list may be requested after award.**
