QUESTIONS:

- 1. You are pretty much locked into the Simplex dealer in your area. You may consider replacing the system, at some point, and suggest you require a non-proprietary system in the future. This way, you can work with the company you want and not be required to. Per Section 3.1.8 of the Scope of Work, "If there are issues working on proprietary systems, work with the Director of Property Management Services. (Name and contact information to be provided to awarded companies)."**
