Solicitation No. TP24-1812

Originally Issued 4/2/24

Addendum 1 – Issued 4/10/24

To Offerors:

The following additions, deductions, changes and corrections to the proposal and specifications for the above referenced project shall hereby be incorporated into the work, and their affect on the proposal shall be reflected in the Offeror's proposal. Offerors shall also verify this fact by indicating the receipt of the addendum in their proposal.

QUESTIONS:

Please confirm that the Bennett Point location is the only site that would need a console and that all the other locations on the list already have a console in place. This is correct; however, the other locations with consoles already in place may belong to the current vendor. If a new vendor is awarded a contract, those consoles will be removed and need to be replaced. If a new vendor is awarded a contract, arrangements will have to be made with each property manager to replace those consoles.
