Dress for Success Cincinnati Brings Mobile Styling Bus to CMHA Campus

In partnership with CMHA, the Dress for Success group visited CMHA’s campus on May 1, 2024. The partnership allowed participants of the Housing Choice Voucher program and Asset Management to get fitted for clothes to wear to a job interview.

Through this partnership, Dress for Success partners with other local agencies and non-profit organizations to empower women and assist with increasing their chances of landing employment by ensuring they can make a good first impression.

There were 17 attendees at this event, and we hope to have additional events like this in the future.
