If any services of Contractor or any materials or products provided for by Contractor fail to comply with these representations and/or warranties, and Contractor is so notified in writing, Contractor shall either 1) correct such failure with all due speed, or 2) shall refund the amount of compensation paid for the services, materials or products. Contractor shall also indemnify CMHA for any direct damages and claims by third parties based upon a breach of these warranties.

- 10. Non-Exclusivity:** This Agreement is a non-exclusive agreement. Either Party may perform or enter into agreements to perform the services and/or to provide any materials or products similar to those provided for herein so long as such agreements do not impede either Party's ability to perform under this Agreement.
- 11. Indemnity:** Contractor hereby agrees to protect, defend, indemnify and hold harmless CMHA, its officers, employees, agents, and Board of Commissions from and against all losses, liabilities and any and all claims of whatever kind, nature or description which may be asserted or claimed against CMHA indemnities which arise from any act or omission of Contractor, its subcontractors, directors, officers and employees or results from any breach or violation by Contractor, its subcontractors, directors, officers, or employees. Contractor will be liable, at all times, for damages or destruction of Contractor's equipment and materials, regardless of how such damage occurs. CMHA will be under no liability to reimburse Contractor for any such loss. If Contractor insures its equipment and material against physical loss of damage, then Contractor agrees to secure, if required in such insurance, a waiver of subrogation in favor of CMHA.

Contractor will also indemnify CMHA and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any copyright, patent, trade secret, or similar intellectual property right based upon CMHA's proper use of any products or supplies under this Contract. This obligation of indemnification will not apply where CMHA has modified or misused the products or supplies and the claim of infringement is based upon the modification or misuse. CMHA agrees to give Contractor notice of any such claim as soon as reasonably practicable and to give Contractor the authority to settle or otherwise defend any such claim upon consultation with and approval by CMHA's General Counsel. If a successful claim of infringement is made, or if Contractor reasonably believes that an infringement claim that is pending may succeed, Contractor shall take one of the following four actions:

- 11.1.** Modify the service(s), material(s) and/or product(s) so that the service(s), materials(s), and/or product(s) are no longer infringing.
- 11.2.** Replace material(s) and/or product(s) with an equivalent or better item.
- 11.3.** Acquire the right for CMHA to use the infringing service(s), material(s) and/or product(s) as intended; or
- 11.4.** Cease the related service(s) and/or remove the material(s) and/or product(s) and refund any amount CMHA paid for the service(s), material(s) and/or products(s) that required the availability of the infringing material(s) and/or product(s) for it to be useful to CMHA.

Nothing contained in this provision shall be construed to limit any indemnity obligations of Contractor as set forth within the provisions of the Contract Documents.

It is agreed and understood that in no event shall any CMHA official, officer, employee, or agent be held personally liable or responsible for any covenant or agreement whether expressed or implied.

- 12.7.** The Insurance shall contain provisions preventing cancellation or non-renewal without at least 45 days' notice to CMHA and stating that the carrier will waive all rights of recovery, under subrogation or otherwise, against CMHA, its office, agents, employees or Board of Commissioners.
- 12.8.** Contractor shall provide certificates evidencing the coverage required under this Provision of this Agreement to CMHA upon execution of this Agreement and annually thereafter evidencing renewals thereof. At any time during the term of this Agreement, CMHA may request, in writing, and the Contractor shall thereupon within 10 days supply to CMHA evidence satisfactory of compliance with the provision of this section.

- 16. Non-Waiver of Rights:** If either party does not seek compensation for breach or insist upon strict performance of any provision of this Agreement, that Party is not prevented from seeking compensation or insisting upon strict performance for a future breach of the same or similar provision. Failure of CMHA to take any action or assert any right hereunder shall not be deemed a waiver of such right.
- 17. Remedies:**
- 17.1. Actual Damages:** Contractor is liable to CMHA for all actual and direct damages caused by Contractor's default. In the event Contractor fails to provide services or material as provided for in the Contract Documents, CMHA may substitute the services and/or material from a third party. in accordance with Section No. 4.0 of this document.

24. **Assignability**: The rights and obligations of Contractor are personal and may be performed only by Contractor.
