

**Nurse Pull System Removal
Redding**

To Offerors:

The following additions, deductions, changes and corrections to the proposal and specifications for the above referenced project shall hereby be incorporated into the work, and their effect on the proposal shall be reflected in the Offeror's proposal. Offerors shall also verify this fact by indicating the receipt of the addendum in their proposal.

Additions, deductions, changes and/or corrections:

- 1. Question:** will the contractor be responsible for purchasing the blank wall plates to complete the tasks?

Scope of Work in page 32 states:

Item 1.c. Supply and install a White Single Blank Wall Plate at every station removed.

Item 1.d. Supply and install a White Double Blank Wall Plate at every apartment light station located at hallway.

End of Addendum 2
