

1316 Crotty Ct. #11 - Mold Remediation

To Offerors:

The following additions, deductions, changes and corrections to the proposal and specifications for the above referenced project shall hereby be incorporated into the work, and their effect on the proposal shall be reflected in the Offeror's proposal. Offerors shall also verify this fact by indicating the receipt of the addendum in their proposal.

Additions, deductions, changes and/or corrections:

- 1. **Clarification:** The objective of this project is to expose the foundation of the building from the interior, so the source of water infiltration can identified. There will be a follow up project, which will include modernization of the apartment, fixing any water infiltration issues, and if needed, further mold remediation.
- 2. **Clarification:** The bathtub will also be removed as part of the demolition process
- 3. **Walk Through Attendance Sign Sheet is Attached**
