Offerors shall also verify this fact by indicating the receipt of the addendum in their proposal.

QUESTION:

1. Page 7 of the quote packet in the Experience Summary page asks "please provide a response to the questions in Section 4 of the QSP document". We have reviewed both the quote packet and the QSP solicitation document and our team cannot identify what series of questions under a Section 4 this is referencing. Please provide clarity on questions to be addressed in the Experience Summary page. **The reference to Section 4 is incorrect. This refers to the table of questions in Section 5 of the file entitled, "SOL 2024-1860 Recertifications QSP."**
