

ADDENDUM #1

Request for Proposals
Emergency Preparation Plan
Solicitation No. TP24-1817

Originally Issued August 28, 2024

Addendum 1 – Issued September 11, 2024

To Offerors:

The following additions, deductions, changes and corrections to the proposal and specifications for the above referenced project shall hereby be incorporated into the work, and their affect on the proposal shall be reflected in the Offeror's proposal. Offerors shall also verify this fact by indicating the receipt of the addendum in their proposal.

QUESTIONS:

1. How many trainings will be held for staff and residents on the plan? **These will be held quarterly.**
2. How many resident and community meetings will be held to discuss the recommendation and methodology? **12.**
3. Can the training and meetings be held virtually, or will they be in person? **In person.**
4. What is the envisioned scale for the required evacuation plans? Does TPS envision plans and maps for evacuating each property, including the 47 single-family homes? If so, do the single-family homes have the same floor plan or would each one have a unique floor plan that needs its own evacuation plan? **Single-family homes will not be included. The multi-family properties should have a map for each unit posted on the back of their door.**
5. Does TPS envision plans and maps for evacuation from property locations out of the neighborhood, city, and/or county? **No, once off the property the resident should adhere to the city/county/state evacuation plan. We do not want to publish something that is different.**
6. May the 1-page experience summary be submitted on a separate document? **Yes.**
