### **QUESTIONS:**

1. Just so I can get a better understanding of what CMHA is looking for, could you please let me know how many vehicles there are to be cleaned? And if there's a breakdown by type (car, truck, van) that'd be great! **We currently have 96 total vehicles that breakdown into these categories: 26 vans (Ford Econoline type), 33 sedans, 29 trucks (Silverado, Ranger, Sierra, Ram and F-150), and 8 large stake body trucks.**
2. Do you know the frequency that is desired or is this an on-call kind of thing? **Services will be requested on an as-needed basis.**
3. It would be myself only servicing CMHA. With that said, is there a workers comp wavier I would need to sign? **There is no form to sign. This coverage is not required if your business has no employees.**
