3.1 Contractor(s) shall arrive at the location ready to commence work. Contractor arrival to the location for emergency calls shall be within one (1) hour after notification by TPS, which may include nights, weekends, and holidays and within two (2) hours for all others. Contractor(s) shall call or check-in with the TPS representative who assigned the work within thirty (30) minutes of initial call or notification of need for service and provide estimated time to be on property. Failure to adhere to this standard will reduce the fee by 25%. If a contingency exists that will not allow for arrival on time, Contractor must call the TPS contact to explain to avoid the penalty

3.2 Failure to complete services properly and in accordance with industry standard will result in at \$50 penalty per incident in addition to either returning to properly

complete the services or reducing the fees by the cost to have another contractor complete the services properly.

- 3.3 Failure to complete services within the agreed-upon timeframe will result in a penalty of \$25 per day in which the service is not completed unless a contingency exists in which case you must call your TPS contact and explain.
- 3.4 Contractor will ensure ability to perform all services awarded. A Contractor claiming inability to perform a service due to insufficient staffing is not acceptable. If Contractor is unable to do the work for which they submitted a quote/proposal, the Contractor's contract for that work will be cancelled in whole or that part of the contract will be inactivated and no longer considered for award.
- 3.5 In the event of a schedule conflict, vendors will service TPS first. Failure to do so will result in the vendor being sent a Notice to Cure to complete the service. If the vendor does not complete the service within the date specified on the Notice, another vendor may be contacted to perform the service. Per Section 2.4 of the General Terms and Conditions, three warnings (Notices) will result in vendor termination. (This situation is avoidable by arranging a schedule with the Property Manager for services.)
- 3.6 Failure to ensure that incident/work orders are completed in their entirety and uploaded to Vendor Café no later than 7:00 AM the next day after completion of the work order will result in a penalty of \$25 per incident/work order.
- 3.7 Failure to report for work in proper uniform and with an appearance and condition that is neat and professional may result in a penalty of \$15 per service.
- 3.8 Failure to comply with all of the requirements in the resulting contract and/or the requirements in the purchase order may result in a reduction of the consultant's fee by 10% for that service
- 3.9 Invoices are to be submitted within two weeks after completion of the service (see *Invoicing* in the General Terms and Conditions). If invoices are submitted late, the amount to be paid shall be reduced:

Number of days to submit invoice to TPS after completion of work or receipt by TPS in Yardi (whichever is later)	Performance Deduction from Invoice
<30	0%
>30	30%
>60	50%
>90	75%
>120	100% (No payment)

- 3.10 TPS may waive the fee reductions at their discretion after discussing extenuating circumstances with the Contractor. Such waiver shall be in writing at the time of the service and may be considered by TPS in the award of future work under this contract and award of future contracts.

4.0 The Authorities Motto and Gold Performance Standards

In 2012, the Authority implemented its motto “Being an Asset to Hamilton County” in addition to establishing Gold Performance Standards which consist of the principles and values by which the Agency performs and how our partners, vendors, contractors and consultants are measured. When a Contractor realizes the work will exceed more than the amount of the Purchase Order, the Contractor must reach out to the CMHA staff requesting the work for an approved Change Order prior to completing any work exceeding the original Purchase Order amount. The only exception is a life and safety Purchase Order.

7.3. Invoices shall be submitted via Vendor Café after the work is complete or after the goods have been delivered to CMHA. Invoices must be attached to the corresponding Purchase Order and must be assigned to the correct line item of the Purchase Order by the vendor. Non-compliant invoices may be rejected and the Contractor will need to submit a revised invoice to receive payment.

7.4. All Invoices must include the address of the property and unit number and the date property was serviced in the description of the service. Invoices must be broken down to include the number of hours worked (including start and stop times), the rate charged, and materials costs listed separately. Fees must be verifiable and auditable. Fees on the fee submission form are not to exceed fees stated in the Contract. Contractor may adjust fees lower if needed, but the adjusted fees cannot exceed the original fee submitted.

7.4.1. Contractor shall only invoice for the time spent on the property. CMHA shall not pay for time spent in route or traveling to acquire parts/supplies.

7.4.2. Where union agreements require that technicians be paid from when they leave home for emergency work, CMHA will pay for travel time not to exceed thirty minutes. It is the responsibility of the technician and/or contractor to correctly track and document the time in an accurate invoice to CMHA.

7.4.3. Invoices shall show arrival and departure times to and from the property of all Contractors and their employees responding for service.

7.4.4. Contractor shall minimize overstaffing for minor repairs. If Contractor is found to be overstaffing for repairs, based upon customary trade practices, CMHA reserves the right to only pay for customary trade practices.

7.5. Invoices shall not be backdated. The date on the invoice shall match the date the invoice is submitted to CMHA. Invoices which are not dated in accordance with this section will be rejected and the Contractor will need to submit a revised invoice to receive payment.

7.6. All invoices must be submitted within two weeks for services performed. No Contractor may invoice for services not rendered. Contractors violating this section may be terminated.

Number of days to submit invoice to CMHA after completion of work	Performance Deduction from Invoice
<30	0%
>30	30%
>60	50%
>90	75%
>120	100% (No payment)

Contractor shall provide a statement of work and signed receiver indicating the work performed and acknowledging its completion. CMHA will pay properly submitted invoices in approximately 30 days.

7.9. Payment shall be contingent upon review and acceptance of the Contractor's Deliverables by CMHA. CMHA may, in its sole discretion, withhold payments claimed by Contractor for services rendered if Contractor fails to satisfactorily comply with any term or condition of this Contract. Payments may also be reduced for performance standard deductions.

7.10. CMHA reserves the right to review invoices for parts. Contractor shall provide invoices for parts within three (3) days of request by CMHA. Failure to provide invoices may result in withholding of payment for such parts.

8.1.3.3. not pay the disputed charge and allow the Contractor to submit the matter either to mediation, arbitration, or the appropriate court in Hamilton County, Ohio.

Additionally, Contractor represents and warrants the following:

9.1. Contractor has the right to enter into this Agreement.

9.2. All services provided for under this Agreement are provided in accordance with the sound professional standards and the requirements of this Agreement and without any material defect.

9.3. No services or materials provided for by Contractor under this Agreement will infringe upon the intellectual property rights of any third party.

9.4. All services provided for hereunder are merchantable and fit for the particular purpose described in this Agreement.

9.5. Contractor will observe and abide by all applicable federal, state and local laws, rules, regulations, ordinances and codes and obtain any license(s), permit(s) or the like required to provide the services and materials under this Agreement. Any fees submitted by the Contractor reflect all costs required for compliance and to procure and provide such necessary licenses and permits.

9.6. Contractor has not entered into any other contracts or employment relationships that restrict the Contractor's ability to perform under this Agreement.

If any services of Contractor or any materials or products provided for by Contractor fail to comply with these representations and/or warranties, and Contractor is so notified in writing, Contractor shall either 1) correct such failure with all due speed, or 2) shall refund the amount of compensation paid for the services, materials or products. Contractor shall also indemnify CMHA for any direct damages and claims by third parties based upon a breach of these warranties.

- 10. Non-Exclusivity:** This Agreement is a non-exclusive agreement. Indemnity:** Contractor hereby agrees to protect, defend, indemnify and hold harmless CMHA, its officers, employees, agents, and Board of Commissions from and against all losses, liabilities and any and all claims of whatever kind, nature or description which may be asserted or claimed against CMHA indemnities which arise from any act or omission of Contractor, its subcontractors, directors, officers and employees or results from any breach or violation by Contractor, its subcontractors, directors, officers, or employees. Contractor will be liable, at all times, for damages or destruction of Contractor's equipment and materials, regardless of how such damage occurs. CMHA will be under no liability to reimburse Contractor for any such loss. If Contractor insures its equipment and material against physical loss of damage, then Contractor agrees to secure, if required in such insurance, a waiver of subrogation in favor of CMHA.

Contractor will also indemnify CMHA and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any copyright, patent, trade secret, or similar intellectual property right based upon CMHA's proper use of any products or supplies under this Contract. This obligation of indemnification will not apply where CMHA has modified or misused the products or supplies and the claim of infringement is based upon the modification or misuse. CMHA agrees to give Contractor notice of any such claim as soon as reasonably practicable and to give Contractor the authority to settle or otherwise defend any such claim upon consultation with and approval by CMHA's General Counsel. If a successful claim of infringement is made, or if Contractor reasonably believes that an infringement claim that is pending may succeed, Contractor shall take one of the following four actions:

- 11.1.** Modify the service(s), material(s) and/or product(s) so that the service(s), materials(s), and/or product(s) are no longer infringing.
- 11.2.** Replace material(s) and/or product(s) with an equivalent or better item.

Nothing contained in this provision shall be construed to limit any indemnity obligations of Contractor as set forth within the provisions of the Contract Documents.

It is agreed and understood that in no event shall any CMHA official, officer, employee, or agent be held personally liable or responsible for any covenant or agreement whether expressed or implied.

12. Insurance: Contractor shall obtain and maintain during the performance under this Agreement the following insurance and the amount of such coverage shall be in an amount to cover all indemnity obligations and shall include, but not necessarily be limited to, the following:

- 12.7.** The Insurance shall contain provisions preventing cancellation or non-renewal without at least 45 days' notice to CMHA and stating that the carrier will waive all rights of recovery, under subrogation or otherwise, against CMHA, its office, agents, employees or Board of Commissioners.
- 12.8.** Contractor shall provide certificates evidencing the coverage required under this Provision of this Agreement to CMHA upon execution of this Agreement and annually thereafter evidencing renewals thereof. At any time during the term of this Agreement, CMHA may request, in writing, and the Contractor shall thereupon within 10 days supply to CMHA evidence satisfactory of compliance with the provision of this section.

- 12.9.** Provide evidence of deductibles. If awarded a contract, CMHA may require lower deductibles depending on the risk to the Agency.
- 12.10.** Coverage required of this Contract will be primary over any insurance or self-insurance carried by CMHA.
- 13. Limitation of Liability:** Notwithstanding any limitation provisions contained in the Contract Documents and materials incorporated by reference, the Parties Agree as follows:

- 13.1.** In no event shall CMHA be liable for any indirect, incidental, or consequential loss or damage of any kind, including but not necessarily limited to lost profits, even if CMHA had been advised, knew or should have known of the possibility of such damages.

- 16. Non-Waiver of Rights:** If either party does not seek compensation for breach or insist upon strict performance of any provision of this Agreement, that Party is not prevented from seeking compensation or insisting upon strict performance for a future breach of the same or similar provision. Failure of CMHA to take any action or assert any right hereunder shall not be deemed a waiver of such right.
- 17. Remedies:**
- 17.1. Actual Damages:** Contractor is liable to CMHA for all actual and direct damages caused by Contractor's default. In the event Contractor fails to provide services or material as provided for in the Contract Documents, CMHA may substitute the services and/or material from a third party. - 18. Contractor Suspension:** If Contractor fails to perform any one of its obligations under the Contract Documents it will be in default and CMHA, at its sole discretion, may suspend rather than terminate this Agreement when CMHA believes that doing so would better serve its interest. In case of a suspension, the amount of compensation due to Contractor will be determined in the same manner as provided for in the Termination for Convenience provision set forth in *Form HUD-5370-C General Conditions for Non-Construction Contracts Section I* less any damage to CMHA resulting from Contractor's breach or other default.

- 20.16.1.2.** Prior to termination, CMHA may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Disputes within the meaning of this paragraph include disputes between the Contractor (or any of its subcontractors) and the HA, or HUD, or the employees or their representatives, concerning payment of prevailing wage rates or proper classification. The procedures in this section may be initiated upon HUD's own motion, upon referral of the HA, or upon request of the Contractor or subcontractor(s).
- (f) A Contractor and/or subcontractor or other interested party desiring reconsideration of findings of violation by the HA or HUD relating to the payment of straight-time prevailing wages or classification of work shall request such reconsideration by letter postmarked within 30 calendar days of the date of notice of findings issued by the HA or HUD. The request shall set forth those findings that are in dispute and the reasons, including any affirmative defenses, with respect to the violations. The request shall be directed to the appropriate HA or HUD official in accordance with instructions contained in the notice of findings or, if the notice does not specify to whom a request should be made, to the Regional Labor Relations Officer (HUD). The HA or HUD official shall, within 60 days (unless otherwise indicated in the notice of findings) after receipt of a timely request for reconsideration, issue a written decision on the findings of violation. The written decision on reconsideration shall contain instructions that any appeal of the decision shall be addressed to the Regional Labor Relations Officer by letter postmarked within 30 calendar days after the date of the decision. In the event that the Regional Labor Relations Officer was the deciding official on reconsideration, the appeal shall be directed to the Director, Office of Labor Relations (HUD). Any appeal must set forth the aspects of the decision that are in dispute and the reasons, including any affirmative defenses, with respect to the violations. The Regional Labor Relations Officer shall, within 60 days (unless otherwise indicated in the decision on reconsideration) after receipt of a timely appeal, issue a written decision on the findings. A decision of the Regional Labor Relations Officer may be appealed to the Director, Office of Labor Relations, by letter postmarked within 30 days of the Regional Labor Relations Officer's decision. Any appeal to the Director must set forth the aspects of the prior decision(s) that are in dispute and the reasons. The decision of the Director, Office of Labor Relations, shall be final.
 - (b) Disputes arising out of the labor standards provisions of paragraph 6 shall not be subject to paragraph 5(a) of this form HUD-5370C. Such disputes shall be resolved in accordance with the procedures of the U.S. Department of Labor set forth in 29 CFR Parts 5, 6 and 7. Disputes within the meaning of this paragraph 5(b) include disputes between the Contractor (or any of its subcontractors) and the HA, HUD, the U.S. Department of Labor, or the employees or their representatives.
- 6. Contract Work Hours and Safety Standards Act**
- The provisions of this paragraph 6 are applicable only where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" includes watchmen and guards.

 - (b) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the provisions set forth in paragraph 6(a), the Contractor and any

subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to the District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the provisions set forth in paragraph (a) of this clause, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by provisions set forth in paragraph (a) of this clause.

- (c) **Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the U.S. Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such Contract or any federal contract with the same prime Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the provisions set forth in paragraph (b) of this clause.

7. Subcontracts

The Contractor or subcontractor shall insert in any subcontracts all the provisions contained in this Section II and also a clause requiring the subcontractors to include these provisions in any lower tier subcontracts. The prime Contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the provisions contained in these clauses.
