

## MEALS ON WHEELS OPENS FOR SENIORS AT LOGAN COMMONS

Meals on Wheels recently hosted a festive open house at Logan Commons, marking the official opening of its new location within CMHA's newly constructed senior community in the heart of Over-the-Rhine.

Guests heard remarks from Mike Dunn, CEO of Meals on Wheels; Markeia Carter, Director of Economic Development for the City of Cincinnati; and CMHA's own Gary Boeres, Director of Development, who all highlighted the positive impact this new location will have on seniors in the community.

Residents of Logan Commons were especially excited to have Meals on Wheels conveniently located right downstairs, providing easy access to daily food resources that support healthy, independent living. The event also featured a lively bingo-style activity that encouraged residents to visit community organization tables for a chance to win fun prizes.

Adding to the celebration, CMHA's ROC Center Team joined the event with generous giveaways, including shoes, books, and more—making the open house both meaningful and memorable for everyone involved.
