

ADDENDUM #1

Request for Proposals
Waste Collection Services
Solicitation No. 2026-1008

Originally Issued March 3, 2026

Addendum 1 – Issued March 18, 2026

To Offerors:

The following additions, deductions, changes and corrections to the proposal and specifications for the above referenced project shall hereby be incorporated into the work, and their affect on the proposal shall be reflected in the Offeror's proposal. Offerors shall also verify this fact by indicating the receipt of the addendum in their proposal.

QUESTIONS:

1. In order to qualify for this solicitation, does the contractor need to supply their own garbage totes? **Yes.**
2. Does the contractor also have to be able to supply the free standing 4 yard to 40 yard containers, as well as the equipment to empty those? **No.**
3. What is the current rate charged to service per toter & per household? **The weekly charge to service a toter is currently \$17.86 per toter within the City of Cincinnati limits and \$14.28 per toter outside the City of Cincinnati limits. Typically, there is one toter per household**
4. Can the contractor specify which properties it feels it has the capacity to service only? **Yes.**
5. Is it possible to be considered for a limited role in waste collection services, i.e., servicing totes that have been left unserviced, emergency trash removal services as needed. **Yes.**

6. The current contractor apparently has a policy to not pickup any items outside of the toters. Will that apply in this new solicitation? **No. See Section 2.5 of the Scope of Work: *The contractor will police the immediate surrounding grounds area to remove any trash spilled during the collection process or trash left beside the dumpster or wheeled waste cart due to overflow conditions. The continuation of any overflow problems at any location should be reported to the Property Manager immediately in writing. Trash left adjacent to the wheeled waste carts and/or dumpsters shall be removed by contractor. Bulk items pickup is a separate service.***
